

Phila June 22nd 1885

Hon. Daniel Manning
Secretary of Treasury

To the best of my knowledge this man Lawrence Carey employed at the (U S mint) as a gate keeper has been off sick for the last month he goes out there to draw his pay he says all I care so I can stay there until the first of July then they will have to give me my 10 days Vacation this man is not sick I see him every Day and all day at the corner of 3rd and spruce st sitting at a Rum mill.

In the name of Democratic Party this man should be removed this man is a (Turn coat) and bitter republican hoping to here from you in the near future

I Remain yours Truly
